

COMPANY PROFILE

L'AVENIR MEDICAL company established in 2013, in Kuwait to be exclusively agent for some important international trademarks of estheceutical , nutritional supplements & Derma Cosmetic products distributor for Pharmacies, Clinics & Hospitals .

We are dealing with very famous manufacturers. They are internationally certified and their products have been tested perfectly with exciting result and totally satisfaction from their customers there and ours here.

Through our main principles we aim to gain the trust and loyalty of our customers plus reputable at regular prices in Kuwait for our products. Our aim is to serve all customer's needs in different fields in a way provides them with all confidence to use our products that offer the healthy and the beautifully sides together. On the other hand our products have no side effects like other medicines do which are being sold in most of markets or pharmacies in Kuwait.

Meanwhile our cosmetics are nearly free from chemicals and we prefer to choose our products carefully to have an excellent reputation in the market.

Most of our medicines and nutritional supplements that we are importing from Czech, Sweden, Russia , Korea, Portugal, Spain and India , are originally comes from natural sources, which are basically useful and comfortable for vegetarians and also non-vegetarians because of their safety use on body. In additional, some of our products are considered as a complement for any shortage of vitamins or minerals in the body in short period without any side effects as what happens with other dietary supplements.

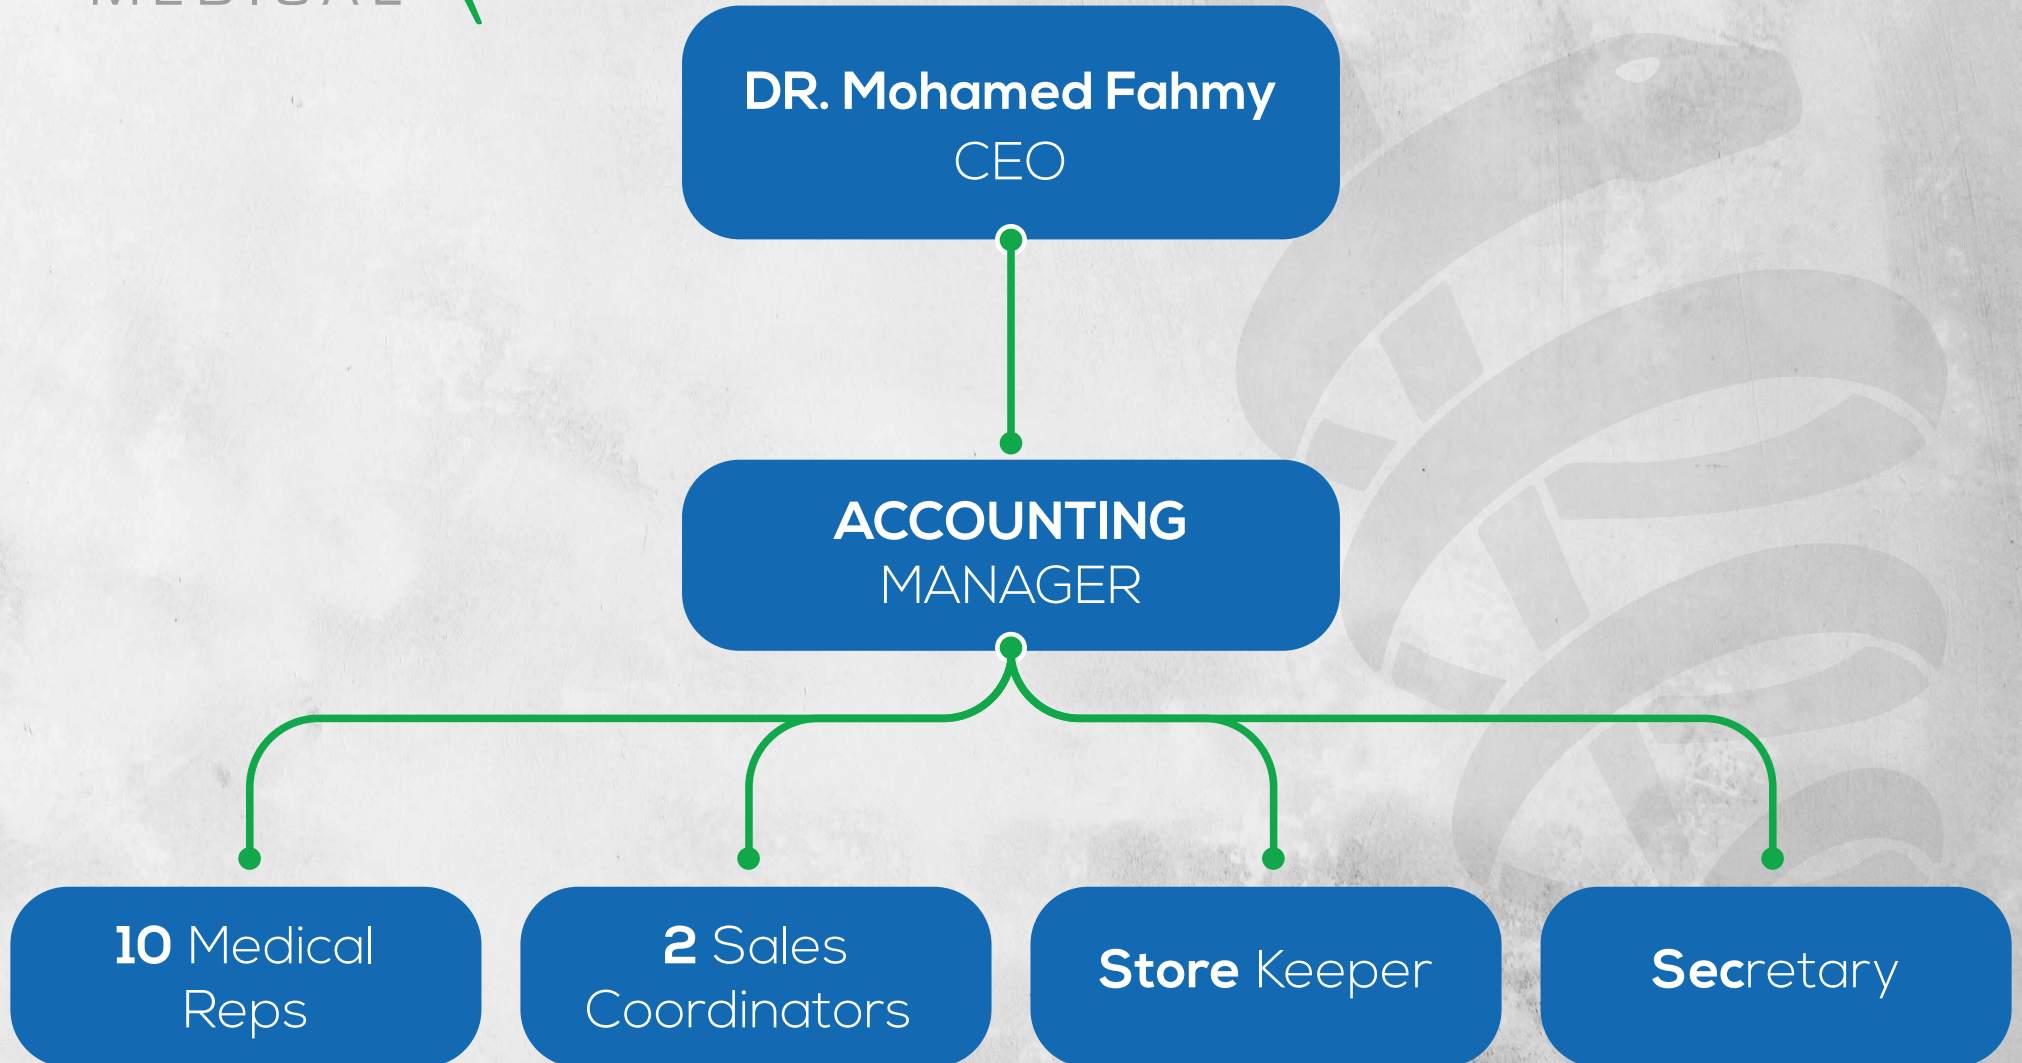

In spite of we were established in **2013**, we have more than **30 years** experience in Kuwait market.

We have a very good relations with most of KOL doctors in all medical departments

In spit of we were launch our product OptiFer (Heam Iron) in Kuwait We became a market leader of Iron Supplement within only 2 years ; because of that ; now we are agent of MediTec Fair Life in Kuwait, Qatar & Bahrain.

Other products we have a very good share in the market

BIOCOOL Leg Care

Blepharitis

Normalizes the functioning of Meibomian glands, moisturizes and nourishes eyelid skin and the base of the eyelashes. Has an anti-inflammatory effect.

It cleans the eyelid skin, has antibacterial and antiedemic effects, improves metabolism and blood flow to the eyelid skin, cleans the gland outflow ducts on the edges of the eyelids and normalizes their secretion, increases skin tightness. Warm Blepharolotion compresses reduce inflammation, eye fatigue and the dry eye syndrome, restore tear secretion due to wearing contact lenses and working on the computer for extended periods of time.
